The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Board. The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. That Thomas G. Pire, R.Ph. Respondent, was at all times relevant to this proceeding duly licensed under the provisions of Chapter 450, Wis. Stats., to practice as a registered pharmacist in the State of Wisconsin. Thomas G. Pire holds license #9468, issued on December 9, 1978.
2. That Silver Spring Pharmacy, Inc., Respondent, was at all times relevant to this matter duly licensed under the provisions of Chapter 450, Stats., to operate as a licensed pharmacy in the State of Wisconsin. Silver Spring Pharmacy holds license #6539, which was granted on March 8, 1984.
3. That Pharmacist A, now deceased, was at all times relevant to this proceeding duly licensed under the provisions of Chapter 450, Wis. Stats., to practice as a registered pharmacist in the State of Wisconsin and was employed as a pharmacist at Silver Spring Pharmacy, Inc.

4. That Pharmacist B, now deceased, was at all times relevant to this proceeding duly licensed under the provisions of Chapter 450, Wis. Stats., to practice as a registered pharmacist in the State of Wisconsin, and was employed as a pharmacist at Silver Spring Pharmacy, Inc.

5. That Thomas G. Pire, R.Ph. was at all times relevant to this matter 100% President owner, and managing pharmacist of Silver Spring Pharmacy, Inc., and responsible for the professional operations of the pharmacy, and responsible for the professional supervision of Pharmacist A and Pharmacist B, former employees of Silver Spring Pharmacy, Inc.

6. That from about November, 1985 through February, 1986, Thomas G. Pire, R.Ph., managing pharmacist of Silver Spring Pharmacy, Inc., together with members of his pharmacy staff who were under his supervision and control, knowingly and willfully submitted claims for payment to the agent and representative of a health maintenance organization (HMO), knowing such claims to be false, and which false claims resulted in payment to Silver Spring Pharmacy, Inc., to which it was not legally or rightfully entitled. Said claims were false in that they were represented to be for quantities and/or kinds of prescription drugs that were not in fact dispensed to participants of the HMO, and also included claims represented to be for medications prescribed by practitioners covered by the HMO, who in fact were not covered by the HMO. Said false claims resulted in overpayments to Silver Spring Pharmacy, Inc., and Thomas G. Pire, R.Ph., as owner of Silver Spring Pharmacy, Inc. amounting to at least \$2,000 to \$2,500.

7. That the Schedule V exempt narcotic sales record for Silver Spring Pharmacy, Inc. was examined for the period of June 1, 1987 to July 30, 1987 and revealed the following:

- a. That during the period from June 1, 1987 to July 30, 1987, Silver Spring Pharmacy made 1,071 sales of Schedule V Controlled Substances to customers without a prescription.
- b. That there were 45 customers who made six or more purchases of Schedule V Controlled Substances within the 60 day period between June 1, 1987 and July 30, 1987.
- c. That the 45 customers who had made six or more purchases within the aforesaid 60 day period made a total of 639 of the 1,071 purchases of Schedule V Controlled Substances at Silver Spring Pharmacy, Inc. during that period.
- d. That the average frequency of purchases for particular customers ranged from six purchases in 54 days for an average of one purchase every nine days to 36 purchases in 59 days for an average frequency of one purchase every 1.6 days.

- e. That the records of sales of Schedule V Controlled Substances from June 1, 1987 to July 30, 1987 were examined for purposes of detecting repeat sales to the same customer within 48 hours of four ounce bottles of Schedule V exempt narcotics. The examination of said records revealed 47 repeat sales to the same customer of four ounce bottles of Schedule V exempt narcotics within 48 hours.
- f. That Thomas G. Pire, R.Ph. in 27 instances had personally made repeat sales of Schedule V exempt narcotic controlled substances to the same customer within 48 hours within the 60 day period between June 1, 1987 and July 30, 1987.
- g. That Pharmacist A in 15 instances had personally made repeat sales of Schedule V exempt narcotic controlled substances to the same customer within 48 hours within the 60 day period between June 1, 1987 and July 30, 1987.
- h. That Pharmacist B in 5 instances had personally made repeat sales of Schedule V exempt narcotic controlled substances to the same customer within 48 hours within the 60 day period between June 1, 1987 and July 30, 1987.
- i. That on July 30, 1987 and August 19, 1987, an investigator of the Wisconsin Department of Regulation and Licensing in investigative visits to Silver Spring Pharmacy brought to the attention of Thomas G. Pire, R.Ph., managing pharmacist of Silver Spring Pharmacy, the requirements of Section 161.23, Wis. Stats., in particular that Schedule V Controlled Substances may be dispensed and sold only in good faith as a medicine, and not for the purpose of evading Chapter 161, and that frequent repetitive purchasers of Schedule V Controlled Substances who may be abusing such substances should be referred to their physician for medical attention and that sales of such Schedule V Controlled Substances to such frequent repetitive purchasers should be discontinued unless prescribed by a physician. Examination of the Schedule V Controlled Substances sales record at Silver Spring Pharmacy, Inc. on August 19, 1987 and October 20, 1987 revealed that Silver Spring Pharmacy continued frequent repetitive sales to the same frequent repetitive purchasers as had been pointed out in previous investigative visits.
- j. On October 20, 1987, a notice of violation was issued to Silver Spring Pharmacy, Inc. relating to, among other things, the sale of Schedule V Controlled Substances in good faith for use as a medicine in accordance with Section 161.23, Wis. Stats., and that frequent purchasers should be referred to a physician, which was returned signed by Thomas G. Pire on October 20, 1987.

An agency may order a rehearing on its own motion within 20 days after service of a final order. This subsection does not apply to s. 17.025 (3) (e). No agency is required to conduct more than one rehearing based on a petition for rehearing filed under this subsection in any contested case.

(2) The filing of a petition for rehearing shall not suspend or delay the effective date of the order, and the order shall take effect on the date fixed by the agency and shall continue in effect unless the petition is granted or until the order is superseded, modified, or set aside as provided by law.

(3) Rehearing will be granted only on the basis of.

(a) Some material error of law.

(b) Some material error of fact.

(c) The discovery of new evidence sufficiently strong to reverse or modify the order, and which could not have been previously discovered by due diligence.

(4) Copies of petitions for rehearing shall be served on all parties of record. Parties may file replies to the petition.

If in the agency's judgment, after such rehearing it appears that the original decision, order or determination is in any respect unlawful or unreasonable, the agency may reverse, change, modify or suspend the same accordingly. Any decision, order or determination made after such rehearing reversing, changing, modifying or suspending the original determination shall have the same force and effect as an original decision, order or determination.
